

ADM-6.3

DD/S&T-2200-64

14 AUG 1964

MEMORANDUM FOR: Director of Logistics

25X1A5a1

SUBJECT: Renewal of External Contract - [REDACTED] 25X1A2d2
25X1A5a1 [REDACTED] Project [REDACTED]

25X1A2d2

25X1A2d2 1. The primary objective of Project [REDACTED] has been to perform technical analysis of Soviet spacecraft in order to determine design characteristics, performance, mission objectives and degree of success. At the close of FY 1964, it was decided to terminate the project and the purpose of the present contract, which runs for two months only, is to allow orderly termination of Project [REDACTED] activities.

25X1A5a1 2. The contract with [REDACTED] is to be terminated on or before 4 September 1964.

25X1A5a1

25X1A1a

25X1A5a1 3. The expenditure of [REDACTED] from vouchered funds is approved for the renewal of this contract with [REDACTED]. Funds in this amount are available from the FY 1965 operating budget for the Office of Scientific Intelligence.
